Little Injuries with Big Implications: Surviving the Child Abuse Workup as a Medical Provider

Featuring:

John Stirling, MD
Center for Child Protection
Santa Clara Valley Medical Center
San Jose, CA

Wednesday, February 17, 2016

12:15 pm – 1:15 pm

SMMC, 2nd Floor

Education Room 1

OBJECTIVES: After participation in this event, attendees will be able to:

- 1) Discuss the place of non-accidental trauma in the differential
- 2) Identify the most common bone fractures seen in abuse cases
- 3) Name two conditions that might be mistaken for abusive head trauma
- 4) Explain when to call CPS, and when to call the police

CME MEDICAL EDUCATION

The **San Mateo Medical Center** is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The **San Mateo Medical Center** takes responsibility for the content, quality and scientific integrity of this CME activity.

The **San Mateo Medical Center** designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure: The presenter has attested that he has no relevant financial relationships with commercial interests (any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). The planners of the activity have also attested to have no relevant financial relationships with commercial interests. The ACCME defines relevant financial relationships as financial relationships within the last 12 months, as well as known financial relationships of spouse, domestic partner, or immediate family member that could create a conflict of interest.

Linguistic competence is of great importance to our work with patients. San Mateo Medical Center provides interpretive services for any language through the Health Care Interpreter Network (HCIN).

TARGET AUDIENCE: Community Members/ Health Care Clinicians

SUPPORTED BY MEDICAL STAFF
