

# 10th Annual Housing Heroes

Join us to recognize those who go above and beyond to support people with mental health and substance use conditions.

**Safe, affordable housing is an essential part of the recovery process.**

1 in 4 people have a mental health condition but less than half get the help they need.

Join Behavioral Health and Recovery Services (BHRS) and San Mateo County Supervisor, Carole Groom, to honor individuals who have helped people find or keep stable housing, so they can recover and maintain good health.

Hear inspiring stories from BHRS clients about these caring and compassionate Housing Heroes who make a difference and change lives.

Please share this invitation with others!
